

This **pickleball tournament** is for teams of two who want to help fight hunger in North Central Oklahoma. All proceeds will benefit the New Emergency Resource Agency (NERA) in Ponca City. Their mission to provide nutritional and community resources depends on the support of generous people like you. For every dollar of profit this event makes, NERA can provide 4 meals to a neighbor who needs your help.

The tournament will take place at the Ponca City Country Club's INDOOR courts on **July 12th and 13th**. Novice and advanced players will play in different brackets on different days. There will be men's, women's and mixed team options for both beginner and advanced brackets. In round robin tournaments, like this one, every team will play every other team. The team with the most points scored in the tournament will be declared winner! Learn more at NERAok.org

Saturday, July 12th
